

# Applebee's™ for Fundraising

Raise funds for your group or charity with Applebee's gift cards!

Tired of sending your kids door-to-door with candy bars? Sick of pizza kits that taste like cardboard? Cringing at the thought of hounding your family, friends and co-workers to spend big bucks on wrapping paper?

## EVERYONE LOVES APPLEBEE'S!

Sell Applebee's gift cards and get back 20% of every dollar your group sells.  
Gift cards are sold in \$25 increments.

**Sell \$1,000, make \$200!**

*\$500 minimum required. No maximum payout.*

## HOW IT WORKS - FOUR EASY STEPS!

### Step 1:

Handout Fundraising Order forms to all of your group members

### Step 2:

Set up a collection(s) method for payment.

Payment will need to be collected in advance by each participant at time of order.

*Recommended method(s): PayPal or Venmo - checks can be accepted at your group's discretion*

### Step 3:

Once your fundraising is complete, contact your local Applebee's to place your collective order.

You will be charged **20% less** than the total gift cards sold, leaving you with your funds raised right away!

### Step 4:

Use Gift Card Payment form to calculate funds raised and total due.
